

#365DLX2

# Endura®

## Deluxe Lineman Gloves

These deluxe lineman gloves are made with select heavyweight 3 ½ oz grain horsehide leather that has been treated with a fluoro-chemical water-repellent emulsion for excellent water, oil, and stain-repellent properties. (The soft, breathable qualities of the leather are not affected by this water-repellent treatment.) Other special features include our performance thumb/palm patch, which reinforces critical-wear areas with a double layer of leather. Sewn across the back of the leather cuffs are heavy-duty 2" high-viz fluorescent-yellow fabric strips and retro-reflective silver strips for greater Nighttime visibility. Sewn with Kevlar® thread for extra seam strength.

Also available in a 6" gauntlet cuff (#365DLX6).
